INTERNSHIP

Python Full Stack Developer Intern | 2021 One Team Solutions, Kochi

PROJECTS

Labourers Connect – Job Portal (Python-Django)

Built a job portal connecting employers, labourers, and contractors with real-time job postings. Features include custom authentication, Google Maps integration for location-based job listings, and a rating/review system to ensure trust and transparency.

EV Charging Station Finder (Python-Django)

Developed a web application to help users locate nearby EV charging stations with map integration and route planning for efficient travel.

SKILLS

Python	C	MySql
Django	Java	Mongo DB
HTML	Javascript	Git
CSS	React JS
